RESPONSE TO NOTICE TO FILE MISSING PARTS

Commissioner for Patents
Box: Missing Parts
Washington, D.C. 20231

Sir:

Enclosed herewith is the original, executed Declaration and Power of Attorney for Patent Application in response to the Notice to File Missing Parts of Application--Filing Date Granted mailed October 26, 2001. Please file this document in the subject application.

It is respectfully submitted that the Notice to File Missing Parts of Application was sent to the Applicant in error since the Applicant previously filed the enclosed fully executed Declaration and Power of Attorney together with the above referenced patent application on 26 October 2001. Enclosed is a copy of the returned postcard from the filing of the above referenced patent application on 26 October 2001. Although this postcard has been damaged by the post office, the application number 10/045514 and filing date 26 October 2001 of the above referenced patent application are clearly visible. Also, the returned post card lists the documents filed on 26 October 2001 as including the "Declaration and Power of Attorney (2 sets) (executed)" having 4 pages. Note that since the returned postcard has been torn and part of this listing has been torn away, only the words "...Attorney (2 sets) (executed).....4 [#pages]]" are visible on the returned postcard. However, the copy of the returned postcard clearly indicates

**COPY OF PAPERS

that an executed Declaration and Power of Attorney document having 4 pages was filed along with the above referenced patent application.

It is respectfully requested that the Applicant not be required to pay the fee of \$130 for late filing of a Declaration since the Applicant timely filed the Declaration with the above referenced patent application. However, the Commissioner is authorized to charge any fees that may be due to our Deposit Account No. 500388 (Order No. SUN1P510).

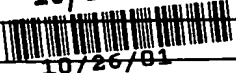

Respectfully submitted,
BEYER WEAVER & THOMAS, LLP
